January 17, 2012

Dear Parents,

It is already time to turn our attention to the **2012-2013** school year. Registration will be open to our **current students** and **Skidaway Island Presbyterian Church members** through the **month of January**. We will open our **registration to the public in February**. We are thrilled to welcome back many of our students in the fall as well as to extend a warm welcome to those families who will be joining us for the first time.

Your child will enjoy classes that are conducted in a warm environment that fosters learning and creative expression. In our program your child will learn the skills he/she need to be successful in Kindergarten and his/her educational career. Children are taught through play and exploration with an extensive variety of early childhood toys and materials. This gives children a hands-on experience they will need to expand their minds and develop their motor skills.

Attached you will find a **registration packet** for the **2012-2013 school year**. In order to insure your child's placement in a classroom, you will need to enclose a **\$155.00 non refundable/non-applicable-to-tuition, registration fee**. Be sure to complete all forms and return them as soon as possible, as places are filled on a first- come, first- served basis. In the summer you will receive a follow up packet of enrollment forms.

We are eager to work closely with you in registering your child for the **2012-2013** school year. If you are new to our school, I encourage you to visit and allow me to give you a tour and to personally address your questions and concerns. Please do not hesitate to contact me at **912-598-0151**. The staff and I look forward to the opportunity of working closely with you. We sincerely hope that you and your children will find the experience at our school a most positive and happy one.

Sincerely,

Maria Rogers, Director

Skidaway Island Preschool

Our Mission:

To provide early childhood learning in a loving Christian environment where

- Each child feels secure
- Each child is provided with a foundation needed to build a healthy self concept
- Each child is taught to learn, grow, and excel in the world around them
