

EARLY BIRDS
8-9 A.M.

We are proposing an Early Bird program at Skidaway Island Preschool to start on October 1 if we have enough interest from parents. Several parents have asked to drop their children off early at the school. We will need 6 children to begin the program. All ages of children are eligible for Early Birds.

Cost:

5 days/week - \$160/month

3 days/week - \$100/month

2 days/week - \$80/month

Two teachers would be responsible for the program – Miss Maria and Miss Mary.

The children would have free play time with books, toys, dress up, playdoh, and crafts.

I am interested in the Early Bird program for:

_____ for _____ days a week

Name of child
